

Straight From the Horse's Mouth

A Note from Your Club President

Hello Prescott Saddle Club friends!

As we ride through 2026 together, I just wanted to reach out and say how excited I am for all the good times we have ahead. We've got a calendar packed with trail rides, campouts, and plenty of chances to kick back, socialize, and just enjoy being part of our awesome club.

I want to give a big shoutout to our board of directors. These folks put in so much time and effort behind the scenes to make sure things run smoothly for all of us. Their dedication truly makes the club what it is, and we couldn't do it without them!

If you're looking for ways to get more involved, we'd love to have you jump in and help out. We're always looking for volunteers to help organize events, lead trail rides, or lend a hand wherever needed. It's a great way to meet new people and make a difference in the club!

Don't forget to check out our website and Facebook page regularly—there's always something new popping up, from ride announcements to social gatherings and updates. On the website under the Events tab, you can find many events already scheduled for 2026. New trail rides are always being added. Please mark your calendars—we don't want you to miss out on any of the fun!

As you may or may not know, our Facebook page is private, meaning only members in good standing have access to it. When you meet new equine enthusiasts, please direct them to our website which is public and anyone can see it. We're confident they'll find everything they need to join our club.

Thanks for being part of Arizona's oldest riding club. I'm proud to ride alongside each of you and grateful for the spirit, camaraderie, and love of equines that make our group so special. Let's make some memories!

See you on the trail,

Amy Cohorst
PSC President
